

## **Fund request for April, 2025**

### **Nourishing Lives with Dignity**

We plan to serve hygienic and nutritious lunches to cancer patients and their family members staying at the Cancer Patients Centre in Sion and at Tata Memorial Hospital, Parel.

In addition, we aim to extend this initiative to include construction workers at a site in Bandra as part of our *sewa* efforts.

This initiative is designed to provide not just meals, but comfort, care, and dignity to those enduring physically and emotionally demanding circumstances.

Your support will help us make this compassionate outreach possible.
