

Fund request for MAY, 2025

It is our compassionate commitment to uphold the dignity of those facing life's most difficult challenges by serving meals. Whether it is cancer patients and their families or construction workers toiling under the sun, our initiative ensures they receive wholesome, hygienic, and nutritious meals served with care and respect. In moments of vulnerability, we believe that nourishment should come not only in the form of food but also in the warmth of human kindness. Every meal we serve is a quiet affirmation of empathy, hope, and shared humanity. Your support will help us make this compassionate outreach possible.
