Respected Sir,

I humbly request your kind support for educational assistance. I am currently pursuing my studies (BSc. Nursing) and the total fee for my 4 year course is ₹ 8,90,000. With the help and support I received, I was able to pay my first-year fees. However, I am still in need of financial assistance to continue my education.

At present, I require ₹ 5,70,000 to cover the remaining course fees. Due to financial constraints, it has become very difficult for me and my family to arrange this amount, which can be given by online transfer.

Your support would play a crucial role in helping me achieve my academic goals and build a better future.

Thank you for your time and consideration.

Yours Sincerely,

Ayushi Kamat
