Dear Deepak Sir

Rishita Keluskar has given a request for financial help from Birewar Foundation Trust for medical expenses of her mother Mrs Ramani Sawant of Rs.80,000/-.

Her mother had suffered mild hypokinesia (abnormally diminished motor activity) of heart and her heart was functioning only upto 20% on 12th December 2023 and was immediately admitted to hospital.

Later on she recovered and was discharged on 17th December 2023 when her heart was functioning at 80% with further treatment.

Please advice

Sincerely

Kamlesh Surati (Manager Accounts)
